

March 20, 2024 - WEBINAR – 10:00am – 11:00am

**DTE Electric Vehicle Charging Incentives and How it Benefits Dealerships,
*DTE EV Strategy Programs***

EVs are forecasted to be up to 35% of total vehicle sales by 2030. Learn about the benefits of EVs and how DTE’s home Level 2 charger incentives, electric rates and installation resources help EV buyers. DTE is committed to supporting you with programs and resources to guide customers to their EV destination. These recourses can be utilized to help you make EV sales. We will review our **Home EV Charger Rebate, Electric Vehicle Rebate** and discuss our newly-launched Home Charger Installation Program that gives EV owners a convenient option for EV charger installation. This class is for dealership managers and sales staff.

Prior to the class, you will receive a Microsoft Teams invitation to the email you provide at registration. By providing your email with your registration, you consent to receiving emails from DTE EV Strategy Programs.
